

UCMUG MEETING — JULY 15, 2008 — 6:30pm  
At Cumberland Cove, Welcome Center

President Bob Weaver mentioned that last months Secretaries Report is and has been on the the UCMUG web page. Treasurer Bill Reichart being unable to be at this meeting asked Secretary Westlake to report that the current balance is \$1,877.72 which includes two new paid members for the month. Woody Geisler moved that the two reports be accepted. Acceptance was unanimous! .

**What's Inside The Utility Folder?** Because there is so much computer information within your system folder, President Bob stressed the need for our review. Though there may be close to thirty some individual programs within the Utility Folder some ten most needed and asked about by the attending members were reviewed. Programs like the Activity Monitor, to check if your computer has enough ram. Also Audio Devices, Bluetooth for setting up phones, etc., Color Sync, Log Files and even discussion of Digital Color Meters. Clarification of how to GET INFO, comments on Disc Warrior and numerous other questions were answered.

The meeting and questioning formally closed at 8:30pm but additional questions were answered informally.

Respectfully submitted,

Rogers Westlake, Secretary
