

UCMUG MEETING — Oct. 21, 2008 — 6:30pm
At Cumberland Cove, Welcome Center

Being on his mind from the last meeting, President Weaver reminded the members that we needed to select and vote for the 2008-2009 Officers for UCMUG. A quick quizzing of the past officers by the membership revealed a reluctant willingness on the officers to serve another year. Willingness for only another year prevailed. This acquiescence resolved into a spirited, affirmative, unanimous vote retaining the current officers until September of 2009.

President Weaver mentioned that Bill Monday had given him notice of '08-'09 unavailability for handling UCMUG Publicity & Promotion. Pat Cavanaugh mentioned Warner Seiberts past UCMUG experience. This prompted Bill Reichert to move and Bill Nauman to second a motion having Warner Seibert in charge of the Publicity & Promotion. This motion unanimously passed.

Bob Weaver mentioned that some of the members had expressed interest in saving web visuals. Several had brought their laptops along and as Bob projected his laptop graphics on the screen they also tried duplicating his results. The graphics of U-Tube proved interesting along with the free way of Safari Activity Monitor. MacTubes and TubesTV are also free. A paid way is to purchase Perian and use FLV for extension.

After the above program, a reminder by Bill Reichert showed the Treasurer's Report with a balance of \$1,953.18 along with 11 new dues payments. The Secretary's minutes for the meetings are found on our web site. These reports unanimously approved. The members verbal agreed that because the many family and business activities with holiday and Christmas events that the UCMUG December meeting will not be observed.

Meeting adjourned approximately 8:20 pm.

Respectfully submitted:

Rogers Westlake, Secretary
