Our UCMUG satellite coordinator, Warner Siebert, opened the meeting by introducing the attending UCMUG officers who gave welcoming comments. He also introduced Tommy Melton, a computer technician at Mega Bites Internet in Crossville. Tommy also does independent servicing of computer/software problems for \$25 per hour plus mileage from Crossville. A single trip may include several customers. Warner mentioned he had received areas of concern about software updates, screen sizing, iPages, and email -saving, forwarding , address saving, attachments, sorting and avoiding unwanted materials. A wide variety of questions thus arose that were answered jointly by Tommy Melton, Bob Weaver, Phil Buchanan, Warner Siebert and the more experienced attendees.

Shown below is the meeting attendance record.

Meeting adjourned at 4:45 pm.

Report respectfully submitted,
