

**UCMUG MEETING — OCTOBER 16, 2007 — 6:30pm**  
**At Cumberland Cove, Welcome Center**

President Bob Weaver brought the meeting to order and asked for approval of last month's 9/18/07 Meeting Minutes. Woody Geisler so moved and the seconded motion resulted in acceptance with an unanimous vote.

Treasurer, Bill Reichert reported that since the September meeting paid up dues of \$285 have been received. This increased the current Treasury balance to \$1,938.54. Report was unanimously accepted.

For the program, President Weaver introduced Mike Wheeler, a twenty-two year staff member of Tennessee Tech and a long time member of UCMUG. Using a computer internet projector, Mike showed his experience with **VMware**, a virtual machine (VM) operating system used within a the basic intel Mac OS X system. On the screen he showed and explained many operating possibilities. **Parallels** which is included with the intel Mac OS X system, though good, was not as responsive as **VMware**.

Mike also gave background and showed other types of free virtual systems and software, **Ubuntu** (Linux), **Perian** and also **Flip For Mac**.

Mike answered many member questions, even after we adjourned at approximately 8:30 pm.

Respectfully submitted,

Rogers Westlake, Secretary
